

Thank you for participating in
**CANADIAN INNOVATION
WEEK 2022**

How do you Innovate?

Fondation
Rideau Hall
Foundation

Created by the Rideau Hall Foundation (RHF), Canadian Innovation Week (CIW) highlights innovation from coast to coast to coast. Canadian Innovation Week has transformed into a digital conversation that continues to reach and inspire more Canadians every year. The RHF is once again amazed by the incredible stories shared across the country.

Each day of **#CIW22** focused on a new theme to bring you insights and inspiration from some of Canada's top inventors, entrepreneurs and experts.

Innovate To Inspire

Ingenious+ National Awards

Created by RHF, in partnership with JA Canada and Yukon University, Ingenious+ is a national innovation challenge that gives youth in Canada ages 14 to 18 the opportunity to innovate for good.

Congratulations to the inaugural recipients

1ST PLACE

Naila Moloo
Transparent and
Flexible Solar Cells

2ND PLACE

**Spencer Izen and
Jessica Kim**
The Student Press
Freedom Act ("SPFA")

3RD PLACE

Samantha Ouyang
Aeropure

Thank you to all of our partners who helped bring Canadian Innovation Week to life with interesting and inspirational content.

"Let's be bold, let's be ambitious. And let's show the world how inspiring Canadian innovation can be."

– The Honourable François-Philippe Champagne, Minister of Innovation, Science and Industry

Innovate To Engage

Grantmaker Conversation: How to fund tech needs of community organizations

This panel explored how funders can respond innovatively to the digital inclusion needs across the non-profit space.

"It's Canadian Innovation Week! Joey Agnatok transformed his fishing boat into a marine research vessel. He works with researchers and members of his community to collect climate and environmental data, particularly on sea ice. #CIW22 #InnovateToEngage" – Historica Canada

Innovate To Excel

Governor General's Innovation Awards

The GGIAs celebrate exceptional Canadian innovations. The RHF honoured six inspiring laureates during the seventh annual awards ceremony, hosted by Abdullah Snobar, Executive Director of the DMZ and CEO of DMZ Ventures.

Innovation Across The Country

The Government of Saskatchewan recognized May 16-20, 2022, as Innovation Week in Saskatchewan.

Innovate To Compete

Spotlight on the Future of Innovation in Canada

The RHF partnered with the Future Economy to explore Canada's potential as a nation of innovation in a video series featuring interviews with:

- Teresa Marques, President and CEO - Rideau Hall Foundation
- Mark Carney, Vice-Chair & Head of Transition Investing - Brookfield Asset Management & Special Envoy on Climate Action and Finance - United Nations
- Jean-Simon Venne, Chief Technology Officer and Co-Founder - BrainBox AI
- Carol Lee, Chair, Vancouver Chinatown Foundation

NFTs: The 21st century gold rush

The University of Calgary explored the world of non-fungible tokens (NFTs) and the policies necessary to protect creators' intellectual property.

Innovate to Learn

Exploring Education

We partnered with Exploring By The Seat of Your Pants to dive into the changing world of education, featuring stories on the new ways educators, explorers and scientists are reaching and inspiring students globally.
